Who We Are

Transformational Housing is a Christian ecumenical non-profit organization seeking to provide quality, affordable rental housing in Jefferson City. We seek to cultivate relationships of encouragement and accountability to lead to life change within the context of rental housing. We strive to be a place where love for the community meets hope and healing.

Our Strategy:

Mobilize volunteer and financial resources from local churches and other interested parties to build and maintain rental units that will be available for those needing housing assistance. Supply coaches and mentors to assist those living in these units develop needed life skills necessary to sustain a self-supporting lifestyle. While a Christian organization, TH will serve people from all backgrounds. While Transformation Housing is an ecumenical effort representing many different churches, assistance from any interested party is welcomed.

Non-Proselytizing Policy

Transformational Housing will not proselytize. Nor will TH work with entities or individuals who insist on proselytizing as part of their work with Transformational Housing. This means that TH will not offer assistance on the expressed or implied condition that people must adhere to or convert to a particular faith or listen and respond to messaging designed to induce conversion to a particular faith.
